

USER'S GUIDE

What is Nilde?

NILDE is an on line software for the service of Document Supply and Inter-Library Loan around which a community of libraries is formed and prepared to share their bibliographic resources in the spirit of reciprocal collaboration and, prevalently, in a free manner.

Why Nilde?

With Nilde you can:

- submit journal articles or book chapter requests to your library;
- you can obtain the printed version of your document in 2 working days;
- follow the status of your requests;
- tag and classify your document with Nilde reference manager.

Nilde is free for you and your library!

Registration

Go to <https://nilde.bo.cnr.it/>

If you are using Nilde for the first time, please follow these few steps in order to register to the service:

Do you already know the library you want to subscribe to?

Register to the NILDE service of your library

Otherwise, [search for your library](#) among all NILDE libraries

1. Click on “Register to the NILDE service of your library”;
2. the system will ask you if you have an institutional IDEM-GARR account. Select YES;
3. select IMT Lucca from the menu and insert your IMT username and password (the same you are using for canteen reservation);
4. click on “New user” and choose your library;
5. fill in the form with all mandatory information.

The Library will receive your registration request and will enable your profile (you receive a confirmation email).

Request a document

Click on “Insert new” and select the document type: **Journal article** or **Part of a book**.

The screenshot shows the NILDE (Network Inter-Library Document Exchange) interface. At the top, there is a navigation bar with the NILDE logo and the text 'Network Inter-Library Document Exchange'. To the right, there are links for 'Home', 'MyNILDE', 'NILDE World', 'Learn more', 'About us', and 'Licenses'. Below the navigation bar, a user greeting says 'Welcome Caterina Tangheroni' with a 'Log out' button. The main content area is divided into two panels. The left panel, titled 'No selected references', contains a button '> Enter a new reference' and a box with the following statistics: 'Total references: 0', 'Total requests: 0', 'Pending: 0 (including 0 waiting for the acceptance of Outside NILDE costs)', 'Fulfilled: 0', and 'Not fulfilled: 0'. The right panel has buttons for 'Insert new' and 'Delete selection', along with 'Apply' and 'Remove' buttons. Below these is a search filter section with 'Display: All' and '100 per page'. The main search results area displays 'Oops! No references found'.

Complete the form with the bibliographic information of the document you need.

The screenshot shows the 'Article' form in the NILDE interface. The form is titled 'Article' and contains several input fields. A large black oval highlights the 'Publication/Book title', 'Article/Section title', 'Author', and 'Year' fields. The 'Publication/Book title' field contains the text 'Il diritto dell'informazione e dell'informatica'. The 'Article/Section title' field contains 'Internet e libertà di informazione dentro le mura carcerarie'. The 'Author' field contains 'Pasquale Costanzo'. The 'Year' field contains '2015'. Below these fields are fields for 'Volume: 31', 'Issue: 6', 'Initial page: 939', and 'Final page: 953'. There is also an 'Abstract' field. At the bottom of the form, there are fields for 'DOI: 10.', 'ISSN:', 'Publisher:', 'Published in:', 'SID:', and 'PMID:'. A 'PubMed' logo is visible next to the PMID field. Below the form, there is a section for 'Additional data' with 'Personal notes' and 'Location notes' fields.

You can also insert some personal notes and specific information for the library about your request (Notes to the library).

N.B. Do not use the personal notes to communicate with the library: we do not see this field!
