2022/23
CALL FOR PHD APPLICATIONS

PhD Program in **Economics, Analytics and Decision Sciences (EADS)**

8 positions

**DEADLINE
APPLICATION**

**June 30th,
2022
12 p.m.**

EADS is an international PhD program that trains students to undertake cutting-edge research in a wide range of economic and social disciplines with a unique **multidisciplinary** approach that relies on the unifying language of **statistics** and **data science**, as well as on selected tools from **computer science** and **psychology**. Students actively participate in research seminars, workshops, and conferences. EADS offers **exchange programs** and double degrees with collaborating institutions around the world, thanks to an established international network.

**ONLINE
APPLICATION
FORM**

The IMT School for Advanced Studies Lucca's **multidisciplinary PhD Programs** aim at providing research skills and tools to address complex issues of the 21st century. The IMT School is looking for bright students to recruit through **competitive** and **open procedures**. English is the official language of the School, the full time PhD positions consist of a **3-year studentship**, **free housing** in its accessible **campus** in the historical town of **Lucca**, free access to the **canteen**, **library** and other facilities on campus, additional funds for research and international mobility. Candidates must get their Master's degree or equivalent by October 31, 2022. Enrollment: early November 2022.
